From CE (R&B) CRN & MD, APRDC, Hyd., Lr.No.APRDC
/CSProad/GW/SKL/GM/EE/DEE-3/2013, dt:24.04.2013.

ORDER:

The Chief Engineer (R&B) CRN & MD, APRDC, Hyderabad, has stated that the Calingapatnam - Srikakulam - Parvathipuram road from Km. 0/0 to 90/0 is an important State Highway. Calingapatnam is likely to be developed as a Minor port in future. This road was covered under LTPBMC Package No:27 for maintenance of roads in Srikakulam district.

2. He has also stated that the Vamsadhara river is flowing parallel and adjacent to this road from Km.0/0 to 7/8 on right side and the road embankment at Km.6/400 to 6/800 and km.7/300 to 7/500 on right side is getting scoured very frequently. During floods in the river, half of the carriageway is being cut off and the same is being temporarily restored. In view of damages vehicular traffic is getting stopped at these points and villages beyond this point are getting disconnected from Srikakulam town and temporary restoration works are taken up usually for free flow of vehicular traffic at Km.6/400 to 6/800 and Km.7/300 to 7/500 on right side of this road. Hence, it is required to take up permanent remedy to this frequently breaching portion of road. The then Hon'ble Minister for Roads and Buildings Department has also instructed to take up the permanent protective measures at the above locations of Km.6/400 to 6/800 and Km.7/300 to 7/500 on right side on top priority during his site visit in March, 2013.

3. He has further stated that as the Vamsadhara is a major river with sand bed and with 1.5 lakh cusecs of discharge, construction of traditional RCC retaining wall will not serve the purpose due to deep scour depths during floods and the same would be uneconomical. Hence it is proposed to construct the Gabion wall using 4mm square galvanized wires mesh filled with 225mm stone spalls.

4. The Chief Engineer (R&B) CRN & MD, APRDC, Hyderabad., has requested the Govt. to sanction the work of Construction of Gabion Wall from Km.6/400 to 6/800 and Km.7/300 to 7/500 R/s of Calingapatnam-Srikakulam-Parvathipuram road in Srikakulam District, for an amount of Rs.445.00 Lakhs under Corenet Plan works for the financial year 2013-14. He has also stated that no land acquisition is required for the subject work and hence stage-I clearance is not required.

5. After careful examination of the matter, Government hereby accord administrative sanction for the work of "Construction of Gabion Wall from Km.6/400 to 6/800 and Km.7/300 to 7/500 R/s of Calingapatnam-Srikakulam-Parvathipuram road in Srikakulam District for an amount of Rs.445.00 Lakhs (Rupees four hundred and forty five lakhs only), under Core Net Plan scheme, for the year 2013-2014.

(PTO)

6. The amount sanctioned in Para (5) above, shall be met from the Head of account -5054-Capital outlay on Roads and Bridges-04 -District and other Roads-MH800- Other Expenditure-GH 11-Normal State Plan-SH(33)-Core net Works Roads (works)-530-Major works-531-Other Expenditure.

7. The Chief Engineer (R&B) CRN & MD, APRDC, Hyderabad., shall take further action in the matter accordingly.

8. These orders issues with the concurrence of Finance (Expr.PW) Deptt vide their U.O.No.12885/448/Expr.PW.II/2013, dt:21.05.2013.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
